

Geology

General Information

[Introduction to Geology](#)

[Minerals, Rocks](#)

[The Rock Cycle](#)

Natural stone appears to be green!

[Weathering and Erosion](#)

Terms included:

- Weathering
- Dissolve
- Disassemble
- Erosion
- Deposition
- Tectonic forces
- Natural processes
- Movement
- Gravity
- Wind
- Water
- Ice
- Freeze and thaw
- Heating and cooling
- Wetting and drying
- Biological activity
- Mass wasting
